CITIZENSHIP BY INVESTMENT PROGRAMME

Your Trusted Partner In Bespoke Residence And Citizenship By Investment Solutions

CITIZENSHIP BY INVESTMENT PROGRAMME

Antigua & Barbuda is a British Commonwealth nation located in the Eastern Caribbean that gained independence in 1984. The country's ideal location where the Atlantic and Caribbean meet has made it famous for its reef-lined beaches, tropical rainforests, and five-star resorts. It is also an independent member of prestigious international associations like the OAS, UN, CARICOM, WTO, and IMF.

The Antigua & Barbuda Citizenship by Investment Programme was established by the government in 2013, making it one of the newer Caribbean initiatives. The programme provides an excellent solution for families seeking access to the European and Caribbean markets, as well as visa-free access to key Asian financial centers.

Applicants can acquire Antigua & Barbuda citizenship by making a non-refundable contribution to the National Development Fund or by investing in government-approved real estate initiatives to qualify for the programme. The programme offers a cost-effective, quick and straightforward route to acquiring a second citizenship in just four to six months, with visa-free access to over 149 countries worldwide.
