## RESIDENCE BY INVESTMENT PROGRAMME

Greece, a nation distinguished by its picturesque landscapes, pristine waters, and significant historical landmarks such as the Acropolis and Parthenon Temple, offers more than just natural beauty and cultural richness. In 2013, the country introduced the Greek Golden Visa Programme, a strategic initiative designed to attract non-European foreign investors. As a member of the European Union, Greece ensures that residents and citizens benefit from stringent safety standards, high-quality educational opportunities, comprehensive healthcare, and a dependable legal framework.

The Greece Golden Visa Programme, recognised as one of the most cost-effective residence by investment programmes in Europe, expedites visa-free access to Europe's Schengen Area for successful applicants and their families within two to three months of submission.
